“ Lorraine Jeanne Favors represented the most glorious, humorous, and lover-of-life....any child could have. My Mother named me Jeanne Lorraine. I always loved being able to say that. Jeff and I are her two children that remain. We were so blessed to have the Bridgeway Healthcare and Hospice organization to help teach us, comfort us and empathize with us, during our and Mother's time of need. Also, Cypress Funeral Home and Crematorium were like angels from heaven. All the paper work was done at home, care when death occurred was immediate. Nick, the owner, was such a gentleman. He also was patient during his explanation of proceedings needing to occur. With these two companies.....my brother Jeff and I were in the same peaceful place as Mother. My son, Mother's grandson Michael called, we placed the phone next to her ear. "They" had a great conversation. We knew that was what she was needing to soar to the heavens. And so she did, only hours after. We experienced the most beautiful and blessed experience at home with Mother because of the two mentioned companies. WE THANK YOU FROM OUR HEARTS AND SOULS. Jeanne Lorraine Favors Daniel.

Rest In Peace, Rainey! One of my earliest memories of you after I met Jeanne when she came to USL was a picnic we had at Beaver Park. I don't know but for some reason, Brunswieger (liver cheese) still reminds me of you, as well as many fun times in Ponchatoula and the flats of strawberries you delivered to Carl's office for so many years! Jeanne (Space), I never knew your Mom's middle name was Jeanne...that's so special and without a doubt, her spirit lives on in you and Jeff....may her memory do the same for all of you. Love you both...Monica

Jeanne, what a beautiful tribute to a strong, loving mother. I've always enjoyed the stories you have shared of the ways your mother provided for your family after your dad died. I always think of her as strong and resourceful. The few times I was with her, I was truly drawn to her. John and I are holding you, Jeff, Michael and David close to our hearts. Christ's peace be with you.

My wife Hilda became good friends with Ms Rainey at bingo over the past few years. They would get sub sandwiches together on days when Hilda would give her a ride and always made sure if she baked any sweet treats one would be saved for her. Such a sweet, polite and at times feisty lady. Hilda has missed her bingo friends due to the covid for sure. Myself I have known Jeff for over 25 years through our work. Hilda and I send prayers of comfort to the family at this sad time for them. We wish nothing but peace and heartfelt blessings to all whom have known this fine lady and family.
