

## Marguerite "Moe" Lucille Mouton

July 18, 1950 - March 30, 2026

Youngsville -

A Celebration of Life will be held on Thursday, April 2, 2026 from 4:00 PM until 8:00 PM at Cypress Funeral Home in Maurice for Marguerite "Moe" Lucille Mouton, lover of sunflowers, music, art, and chickens, who passed away peacefully at her Youngsville residence on Monday, March 30, 2026.

Moe, 75, was a wife, mother, grandmother, and dear friend who often claimed she had never met a stranger. Her friendliness and willingness to openly discuss anything and everything was renowned throughout her life, particularly in her beloved hometown of Crowley, LA.

Moe had the greenest of green thumbs, and she was most proud of her ability to grow something out of practically nothing. A lover of yoga every morning, she was a hobbyist naturalist who frequently attended flower shows with friends and sketched and painted a variety of blooms when she wasn't maintaining her own extensive garden. Moe adored giving what she grew and would often provide piles of delicious, homegrown produce to anyone who asked--and sometimes those that did not. She will be dearly missed.

Moe is survived by her beloved husband of 45 years, Ray Allen Mouton; her son, Coy Stephen Quibodeaux (Lisa Mary Pellerin); her granddaughter,

Coraline Lucille Quibodeaux; her brother, Raymond Quibodeaux (Susan); as well as an abundance of friends.

She was preceded in death by her parents, Felix "Red" Quibodeaux and Mildred Whitley; as well as her sister, Elizabeth Robinson.

Arrangements have been entrusted to Cypress Funeral Home & Crematory, 206 W. Lafayette St., Maurice, LA 70555.

“ *Every year for Christmas Moe would make us a Cajun trail mix. Now let me say it was extremely good. We'd finish it off so fast, that mason jar didn't stand a chance!! I asked her one time how she made it. She told me two hours of stirring it every fifteen minutes on the pan in her oven. I realized how much of her heart went into every jar every year. I still use my pretty kitchen towels and I enjoyed every mason jar she sent me. Even homemade jelly! Cucumbers and oranges too❤️ she was indeed a giver. She always asked me how I was feeling and loved to sit and talk. Be at peace Moe. We miss you*

“ Ms. Moe, you were such a bright light, always spreading peace. You brought life, color, and warmth to the world around you—just like the flowers you nurtured. May your family find comfort in the memories you shared and in knowing how much she meant to so many. Her spirit will live on in every bloom, every breeze through the garden, and in the hearts of those who loved her.
