“ My beautiful, loving, kind niece you will be missed for all the wonderful things you were. Your love of family and friends, especially your husband Scott and daughter Francesca, your love of animals, always a dog or two and cat or two or more! Your kind heart and sweet sense of humor. I always loved hugging you when I saw you, you filled my heart with joy. I will miss your hugs and I will miss our talks in the last few years. I'm so sad you had to go but I knew your pain and if love could have cured you, you would have lived to 100, there are few souls like yours babe and yours is pure love. I know God has a new angel in you, for all you went through, there has to be something better on the other side. My love you Scott and Francesca my prayers are will you and all of our family. My love to all who read this, I know you miss her too. Much love, Auntie Teri

“ *Maria was one of the sweetest people. Her smile was contagious, her heart as big as the sky. She actually called me to ask if she and Scott could share wedding anniversary dates. I told her I hoped it would as big of a blessing to her as it has been to me. Scott, I know I don't know you well, but be assured of our prayers for you during this painful time, We love you both and will miss Maria until we see you again, sweet girl. Love, Auntie Peggy*

*While I haven't seen her very many times in her life, I remember her as a baby. Maria was such a beauty inside and out. I am glad she is no longer in any pain, and is up in heaven with other family. I pray for peace for her entire family. Love you Maria.
Love, Auntie Meri*
