Lafayette -

Marie Cora Lee Howard, age 73, passed away on July 21, 2021 at her residence in Lafayette, Louisiana.

Marie was born on May 21, 1948 in Lafayette, Louisiana and was a life long resident of Lafayette Parish. She devoted many years of service to our local law enforcement community in the civil department. After retiring, Marie would spend most of her time with family or working in her garden. She created a beautiful flower bed that reflected her beauty, passion and great determination. She did this with her loyal companion Sadie by her side. Marie loved her daughters and her grandchildren with all of her heart. She was a generous and giving person that never hesitated to give anything she had to others. She faced her illness with grace, courage and incredible strength. She woke up each day until her last with the determination that she was going to give and do her best. Her life was a reflection of all of her beauty that she so willingly shared with others. Marie was a person of great faith and often spent time in prayer for those she cared for more than herself. She is deeply loved and will be greatly missed more than words can say.
