“ Ms.Mary I have known you for 20 years. I worked for you when you had your rentals and I also cleaned your apartment. After my Mother passed on September 11,2017 you became my second mom . You always worried if I could make it, and I told you I was fine . You were so kind, loving, and generous to me . But you could have given me all the money in the world but that meant nothing like the Love you had for me . I know you are at peace , that's what eases my heart. Cause it's gonna be broken till I meet you and my Mother again 💔
Just keep praying and watching over me , love you my second mom and best friend ❤️❤️

“ I came to know Miss Mary through my sister and I just have to say how much I enjoyed my time knowing her. I always enjoyed my short visits with her and our talks. She was very sharp and had such wit and humor. I liked her very, very much and always knew that she liked me as well. I am happy that she is at peace and reunited with her son, Randy and all of her family. My deepest condolences to her daughter-in-law, Cindy and Carla.
Rest in peace Miss Mary.

“ *Where do I even begin? I have to say goodbye to you today but not before I say what you meant to me. You were my best friend for so many years and I am going to miss you terribly. I truly believe that God put me on this earth to meet you and be in your life. My job has ended and I have no regrets. I consider myself blessed to have known you and given the opportunity to care for you. It wasn't always easy but I would do it all over again. Thank you for being my friend and for all the wonderful talks, laughs, and memories. My life was made so much better because of you. I love you always. You will not be forgotten. Rest in peace with Randy, Rena, and Jan.*
