Gonna miss you, Megan, that smile was infectious! You were a soft-spoken person and had a gentle and kind soul. We will keep your girls safe and show them love and we will do our best to comfort Brandon. It is so unfair but we were never promised fair. Rest in the arms of angels until the day we are reunited in paradise. Love you 💕

“ *Megan was a wonderful person!*

Always involved with her two daughters, very caring, a watchful eye on the girls to make sure they had the best environment to grow up in. Always spoke highly of her husband and shared some funny stories about their weekends together as a family. We worked together for 5 years, she did a fantastic job and made sure her processes and procedures were done correctly. We all enjoyed her company and she was great to work with.

God bless her and her family!

We will miss you Megan!

*Regards,
Houston*

“ My name is Gabby and Megan was my childhood best friend between K+ and 4th grade. I remember sleepovers at her house and hanging out together listening to Billy Ray Cyrus. We were 2 peas in a pod. Always smiling and slightly shy, while I was the emerging extrovert. We kept in touch here and there but hadn't seen her since she got married and I went off to college. I am sad to hear of your loss and the hole this leaves in your family. I pray for eternal rest for her soul and for strength for her husband and beautiful daughters. God Bless.

“ Sincere condolences to Megan's family. I worked with Megan for 4 years at Pioneer and she was always amiable, compassionate and fun to be around. Megan loved her family and always talked about her girls, she was a good mama bear who always wanted the best for her babies. I'm glad that I got to know Megan over the years, she was an extremely good-hearted human being.

“ I'm in awe of seeing this. I'm so sorry for all of you! I hired Megan and Go-Coil years ago and she was such a pleasure and great person to work with! I left 6 years ago and have only seen her once but have thought about her often. So sad to know I will never get a chance to see her again around Maurice. My heart is broken 💔
