“ Michael was my cousin, I remember him teasing Laura (his sister) & I all the time!!! He always wore that black leather jacket & he drew those art comics, he was so talented! He was so funny, but was shy with the ladies. I loved him so much, he was always the sweetest one out of the three boys there was George, Oscar & Michael that all were together the three amigos and they watched over the little cousins. It breaks my heart, but I know he's in a better place. xoxo ~

“ Michael was a very sweet person. Always entertaining either with deep intellectual nuances or plain outright comedy. Always loved how he would talk to kids with the same amount of energy and intent as he would any conversation with an adult. He will absolutely be missed. Peace 🙌 Michael.
