“ I met "Noto" at my son's house in October of 2019. It was an experience to say the least. A journey of self discovery for both of us. At first it was not good at all but regardless of any obstacles the devil put between us we became friends. As much as he believed he couldn't be forgiven I promised him he could. God's promise that I knew to be true. He never told me that he got saved but he did. God is so good and Noto I miss you still ❤️
