Apologies about the Typos! One would think there would be Proofreaders at the FH! Lol Michi Certainly Loved Lafayette and Mardi Gras. In recent years, She had the opportunity to Move back to Niagara Falls, NY. Yet wouldn't because she didn't want to leave Sean, who wasn't interested. Would have been Wonderful to had you in The Falls. Michi pure Joie De Vivie. So Live Your Best Life. We have People in it for Examples. Be that. Fly High Michi. XO
