EW

Nancy was a very dear friend of mine for 38 years. We became fast friends when we worked professionally together in Baker, La. . I will remember Nancy as a private, caring, kind, and decent person, and most of all a very loyal friend. I will forever cherish our special times together including our long distance phone conversations as I moved from state to state through the years.

I will miss Nancy and feel so grateful to have shared our long lasting and wonderful friendship.
