From his Wife:

It was always love at first sight. Hearing you dragging your feet with those big slippers. Hit me baby!

From Britt:

Hey Paul, I know you can hear me up there. I wish we could have one last talk. Until we meet again. I love you, Mash Potatoe.

From Granny:

As my son in law, I always thought of you as a wonderful, kind hearted

person. You didn't get enough time to stay with the family. We will miss you, my son. My heart is broken.

From Mike:

I'm going to miss our laughs, our talks, hanging out together cooking and eating. All that good shrimp and fish we used to cook. Until we meet again my brother, fly high. Rest in peace.

From Moosh and family:

When you left us, you took a piece of everybody's heart with you. We can't question God's plan in life. It saddens us that you left us behind. Your wife, everyone, we all ask why with tears in our eyes. We will always keep your name alive. Love you forever family.

From Ebony:

This all feels unreal. As long as I can, I will look at this world for both of us. I will laugh with the birds, I will sing with the flowers, I will pray to the stars for the both of us. Those we have held in our arms for a short while, we hold in our hearts forever. From your dawg, Ebony. I love you so much.
