“ To the family of Paul Domingue, you have my deepest sympathy ! Paul was a special kind of person. If you were having a bad day, it got better when he was around. Me and Paul work together and he thought me everything about the job. So sorry I couldn't attend the services, but you all will be kept in my prayers. God bless the family !

“ Paul and I were very close in high school. I went with him to many dances! What a character! Such a cut up! We always got in so much trouble! When his kids were you g, I worked at Dr. Judice's and saw the family a lot! Sad that we lost touch, but I will always hold him in my heart. Prayers for the family. Angella Trappey's

“ To the entire Domingue family: My heartfelt condolences on the loss of Paul. I had the great pleasure of coaching Paul in basketball the last few years at Fatima. He had a tremendous competitive spirit, and the bigger the game, the better he played. In today's parlance you would say he had "swag." It was what made him unique. Loved the picture of Paul and the rest of the guys. Great teammates, warriors all. Ready to go to battle every Tuesday and Friday night. Won't forget Paul, may he rest in well-deserved peace. Love to his family.
