

Paul V. Gragg

February 5, 1957 - October 11, 2021

Rayne -

Paul V. Gragg, age 64, passed away on Monday, October 11, 2021 in Lafayette, Louisiana.

Paul was born on February 5, 1957 and was a resident of Acadia Parish. He was a veteran who served in the army from 1975-1983. He was a proud father to his daughter Katie and his son Jon. Paul was a kind, compassionate soul that would help anybody including the shirt off his back; whether he had it to give or not. The old saying "you can't take it with you when you go" well Paul didn't take it with him because he enjoyed his life here on earth not caring about money but worrying about others first. He was very passionate about a lot of things especially his beautiful fish tanks and fish. He enjoyed horseback riding, welding, polishing rims, playing the drums and he could play PlayStation for days. The memories that he made with his loved ones over the last 15 years will last a lifetime. Thank you for your service to our country and most of all for all the lessons you have taught me about life. Until we meet again "shooter257" ride on. Ride off into the sunset my good buddy. Till We meet again.

He was survived by his daughter Katie Murphy; and his son Jonathan Blood.

A special thanks to the doctors, nurses and staff at the Carpenter House for the care and compassion to Paul and family.
