“ I met Paul in 2000 and have been a close friend for those years. Paul never said he was too busy or that he did not have time he was always willing to do what ever he could to help in any situation. RIP my friend

“ Condolences to Paul's family & friends. I know Billie from church & met Paul after mass one day. To my surprise, he remembered me from Acadiana High, where he was a student and I was a teacher. He brought back many memories & his memory was much better than mine. He seemed quite the character, visiting with many who were gathered for coffee & friendship. He always had a smile or a grin on his face & I was amazed at how friendly & outgoing he was to so many. We looked forward to seeing him after mass & was able to visit with him for several months. It was a pleasant experience that we enjoyed. Our prayers are with Paul, his family & his friends. The new journey begins.
