Pernal Joseph Broussard was born on January 8, 1966, in Lafayette and he was a longtime resident of New Iberia. After completing highschool he proudly served his country in the national guard, as well as the US Army. Pernal Broussard was a man of many talents. After being honorably discharged from the military he worked as a cook offshore, and later spent many years working as a handy man and carpenter. He was always willing and able to help those in need around him. More than anything, Pernal was a loving father and grandfather. His grandchildren were his true pride and joy. In his spare time he enjoyed being with his family, fishing, and having cook outs. Pernal knew no strangers, he loved everyone like they were his own brothers, sisters, children, and grandchildren. He will be dearly missed.

Pernal is survived by his four children, Alicia Shea Haycock, Christian Broussard, Brandon Broussard, and Jenee' Darby; his eight grandchildren, John Leleux, Julianna Leleux, Jacob Leleux, Michael Broussard, Joseph Broussard, Alivia Broussard, Reagan Broussard, and Jackson Darby; his five siblings, Keith Broussard (Rose); Malaine Broussard, Ruth Porrier (Chris), Isadore Broussard, Jr., and Kurt Broussard; the mother of his children, Amanda Guidry; along with a host of nieces, nephews, and dear friends.

He was preceded in death by his parents, Lillie Mae Dugas and Isadore Broussard, Sr.; his sister, Lois Breaux; as well as his maternal and paternal grandparents.

The family wishes to offer a heartfelt thank you to Pernal's favorite nurses, Brody, Haydaee, and Angel for the care and compassion they offered Pernal and his family during his time of need.

“ *So sorry to hear the news. I found out today, 06/27/2024. I have started the genealogy for his two grandsons, Cohen and Carson Broussard, through his son Brandon and my daughter, Morgan Broussard. My condolences to the Pernal's family and friends.*

After reading the obituary, I am disappointed that Cohen's and Carson's names were not listed amongst his other grandchildren. Although Pernal didn't want to meet Carson, at least he spent time with Cohen when Morgan and Brandon lived with Pernal and Amanda. Some questioned paternity, but DNA proved it. Cohen is now seven and Carson is five.

“ *In honour, in love and in remembrance of a truly dear friend. Pernal and I have been very close friends for years. A very resilient man, whose strength shone through many an adversity in this life. Many tears of sadness and joy were shared. He walked with me in the Spirit through many stages of grief and loss. Always one to "tell it like it is" & only ever did he speak from a heart of pure love and respect. Such a kind and caring friend. Your last words to me Pernal, I will carry them for life. I will forever cherish the memories and experiences we shared. You told me not to mourn your death, but to instead celebrate your rebirth. Yours had better be my first hug in Heaven. Those gone before me will understand why and will wait patiently, for eternity is just that... eternity. John 11:25-26. "Jesus said to her, 'I am the resurrection and the life. Those who believe in me, even though they die, will live, and everyone who lives and believes in me will never die.' " Until I see you again, I will carry you with me, always. Forever loving you Pernal. I'll see you when I get there xo*

All my love to Pernal's family and friends. A one-size-fits-all hug from New Zealand xx Elsie
