“Daddy, I hope and pray you are finally at peace now. It’s definitely going to be a hard reality that I’ll never get another call or text from either of my parents now. No more jokes from you and check ups :( but I’ll always be your little girl Daddy! Love you forever

“ This doesn’t seem real. Not at all. I guess I thought you’d be here forever. Doesn’t seem like such a strong man would ever die. We know that’s not true but still ☐ I know how much you loved me and I’ll love you forever Poppa 💔💔 I’ll see you soon
