“ *Becky, you will be dearly missed. We are all still in disbelief that you are no longer here. Your memory and impact will always be felt here. Your contagious smile and positive personality shined throughout. You have a heart of gold, not only were you selfless but you were generous, kind and loving to all of those around you. We are so blessed to have shared nine wonderful years with you. Rest in peace our beautiful Becky, until we meet again.*

“ I am so sad. Rebecca was a beautiful person inside and out. We worked together at Fleming, many years. We kept in touch for a bit or would run into each other in Walmart. We got together for Tupperware parties. It was fun!! She had the most beautiful smile. She was always smiling! I'm sending so many condolences to her children and grandchildren and all her family. When she bought her house I said I want to come see it. I never did. Don't take a minute for granted. I love you Becky and I will meet you in heaven. She was my friend and I'm going to miss her.

“ This picture about sums up how much fun Becky and I had. We have been dear friends for 35+ years. We laughed together, comforted each other, worked together, prayed together, and loved each other like sisters. She had the most infectious giggle. We were once at the Flora-Bama and the band told her they would pay her to be present the next time they did a live recording because they wanted her laughter to be heard by the world. I will miss you so much but we will laugh together again in heaven.

This picture depicts how much fun Becky and I had together. We laughed, cried, prayed, and comforted each other in our 35+ year friendship. Becky had the most infectious giggle. We were once listening to Rusty and Mike at the Flora-Bama and Rusty told Becky he would pay her to come to his next live recording so her laughter could be shared with the world. I will miss her for the rest of my life, but I know we'll laugh again one day in heaven. I loved her so much and couldn't have had a better friend in life.

“ *The sweetest most kindhearted coworker and always would go above and beyond for everyone! Every LinQ get together for the Lafayette office you were there and would make sure everyone made it back home safe! Thank you for the memories the last 7 years and for being more like family than just a coworker. I will miss you dearly Miss Becky!* ”

“ *To say knowing Miss Becky was an honor is a complete understatement. She taught me, supported me, worked alongside me, and was there for me for so much. I will always remember how when we worked weekends together I would watch the Saints games to keep her updated on what happened. She taught me how much better a margarita was with amaretto on top or how every time I drove to Louisiana I always made sure to text you when I arrived and made it home. I will miss you dearly my friend.* ”

“ *Lauren and Ryan,*

There are no words to say how deeply sorry I am at the loss of your beautiful Mom. I pray that you find refuge in God's mercy amid your pain. May He give you the strength to push through these dark moments and to remember she now rests peacefully in His arms.

Her unexpected passing has had a shocking and sorrowful ripple effect reaching far and wide. She touched so many lives through her friends, co-workers, and those she took excellent care of through her work. Her devotion, dedication, and hard work were unmatched. She set the standard for all to follow.

Beck - I was blessed to call you my dearest friend. The broken road that led us down a long path of friendship will always be the best trip I've ever taken. If a river of tears could get me closer to where you are, I would be with you now. I love you dearly and will miss you beyond measure. Until we meet again, rest easy, my beautiful friend.
