BF

“ Our first memory we have of Becky is when we moved to Hillside Trailer Park, Brian and I had to leave to take care of some things and the power company came to turn the power on but they needed payment before they could turn it on and Becky, not knowing us payed the power company for us! That began a long time friendship.

Brian and Becky's birthdays were a week apart and we always enjoyed saying happy birthday to each other.

We were so glad when Becky and Clifton invited us to come to Celebrate with them when they repeated their wedding vows. What a sweet day.

“ *After living a hard life on earth, Becky has found relief on the other side. She was my sister and last living sibling. Becky was very kind to people and animals and a very loving spirit. May she rest in peace! She will be missed.*
