

Rita Carmen Broussard

December 14, 1969 - September 16, 2024

Lafayette -

Rita Carmen Broussard, age 54, passed away peacefully on Monday, September 16, 2024, in Lafayette.

Rita Carmen Broussard was born on December 14, 1969, in Youngsville and she was a lifelong resident of Lafayette. She was an outgoing and outspoken person. Rita was always in her garden watching nature or on the ranch rounding up cattle. If she wasn't on a Harley, she was on a horse. Rita was a Cajun cook to the fullest that lived life like there was no tomorrow. She was a jack of all trade and the only person her family ever knew that could take a truck apart and put it back together. Rita was willing to help anyone she could, even if she barley had anything to give. She will be dearly missed.

"We love you, Momma. We will make you proud. Rest in paradise."

Rita is survived by her children, Ronnie Sonnier, Bryce Broussard, Timothy Manning, Ryan Sonnier, Alizabeth Broussard; her grandchild, Rhyden Sonnier; her mother, Elizabeth valdetero; as well as her siblings, Gus Trahan, Jonathan Broussard, Summer Kelly, and Don Mize.

Arrangements have been entrusted to Cypress Funeral Home & Crematory,

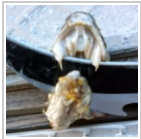

206 W. Lafayette St., Maurice, LA 70555.

“ My condolences to you all. 😞 She is a beautiful soul that will forever have a special place in my heart. It was an honor and privilege to grow up with her. I have many fond memories of our time together as kids and as we grew and had families of our own. We loved playing in the mud after the mud races were over at the old track behind her house back in the day. We would ride horses together and if I'd get bucked off she'd always make sure I was ok before going catch the horse. Even though we were only a year apart in age she always watched out for me growing up, as a big sister would. Even though I moved far away we would reconnect when I'd go back to visit and I never lost that bond with my ritabobita. 🌸 I'm so sorry for your loss. Know that I am thinking of you all and send my love. 💕 She is now your angel watching over you forever. ☐ She loved you kids dearly. ☐
