“ Even though you are gone "Nanny Roxy" up to Heaven to finally be with Mom, Maw Maw, Paw Paw, your Father n also your Step Mom; Just know that you will never ever be forgotten. I want to let you know that I love you more than anything in this world. My heart is broken into a million pieces ever since I heard the horrible news. I am so truly sorry Nanny Roxy that I never got the chance to make it to the hospital to go see you. But please believe me when I say this, I wanted to go so bad. But I didn't have a ride to get to you. That really hurts my heart so bad. I feel so bad. I hope you can somehow please forgive me. I know we had spoke to one another on the phone last week but it's not the same. I know I had told you I love you n goodbye when we hung up but I wanted to see you one last time before something happened. And now it's too late. Now what hurts me the most is that I am going to have to go see you for the funeral. That is gonna be my last time I will ever get to ever see you again. I think I am really gonna loose it. I'm not even gonna lie. That's gonna take a toll on me. I just know it. I want you to know that you mean so much to me. You just don't even know Nanny. You hold a very special place in my heart n I truly means that. I'm gonna be thinking about you all the time. I will miss you dearly. That's for sure. You used to always call or text my phone to check up on me all the time. N now I'm not ever gonna be able to get a text or call from you. I'm gonna be so lost without you being here. No doubt about that. Indeed. I just know that there will be one day I will be expecting to get a phone call or text from you. It hurts my heart that I will never get to hear your voice again. The last time I did was when I was in the hospital last week n that wasn't how I wanted to remember your voice cuz you was so short of breathe. Really hurt my heart cuz I could tell you had so much to tell me but you just couldn't. But I'm really glad we talked that day. Even though I wish I could have gotten a way to go see you Nanny. N I am so mad at myself right now cuz I know you was really expecting to see me. I am so truly sorry Nanny n I hope u can somehow deep down in your heart forgive me. Cuz I really mean it. I want you to know that you are the "Best #1 Nanny" in the 🌍! Always have been n always will be. Please don't ever forget that. You were the sweetest person I

ever knew. You had a very big good hearted heart. I will never forget about you. I will be thinking about you every single day. Believe that. N u will be missed so very much. N by many, many people. I just have one favor from you. Please give Mom, Dad, Granny n Paw Paw a very tight hug n kiss them for me n tell them that I love n miss them so much. And also that I am waiting very impatiently till we all meet up again. Until then, hugs n kisses are sent to them up above. Now I'm gonna let you go for now so you can rest peacefully n so you can go finally be with your loved ones in Heaven. Just know I love you dearly Nanny Roxy. Always have n always will. N I will miss you with all my heart. Now it's time for you to finally spread your wings and fly high n go meet your sister, Mother, Father n everyone else. Until we meet again, hugs n kisses! 💜
