“ Momma, if I had known that when I called the ambulance and we were at oschners Breaux Bridge hospital, that would be the last time I'd talk to you, I would have said so much more!! The last words you told me were to be brave! My whole world stopped!! Why didn't you teach me to be brave! Why didn't you teach me to live without you!! And little did we know, Bryan would have left us just six weeks after you!! I hadn't even learned how to live without daddy!! God this pain is unbearable!! But I know your heart never mended after Daddy passed.. I wasn't ready!!! You were ready to join him! I know y'all are happy!! You daddy and Bryan!!! I know Landon is enjoying you, daddy and Bryan!! And y'all are with y'all parents and sisters and brothers!! I will try to go on and try to smile, my heart just hurts so bad!! Thanksgiving was hard! Christmas, my God, I hope I make it through!! I love and miss y'all sooo sooo much!! Watch over us and guide us! Til I see y'all again!! Walk with me!! Love your baby girl,
Melissa
