“ This breaks my heart. To Scott's family and friends, I'm so sorry for your loss. I remember in high school seeing Scott riding around town with the rest of us teenagers hanging out around the car wash. His life definitely had a purpose and it breaks my heart to hear of his passing. Prayers for all.

“ I am deeply sorry to hear of Mr. Gastal's passing. His courage illuminated the way for many survivors to find justice and healing. My prayer is that no child ever again has to suffer what we did. Thank you, Scott, for the gift of Truth. Rest easy.
