“ As the oldest granddaughter (Renee Poteet) of Effie and Silas Poteet, I was around when each of the cousins came along. Mississippi and New Orleans holds a lot of sweet memories of the family growing. I even remember when Cowboy and Jackie were dating. I believe we are all lucky to come from a good stock of people who were genuinely good family minded individuals. Bottom line is that family is the most important of our connections and I'm sorry that I moved so far away so long ago and missed out on knowing you all better as you grew into the people you have become. My thoughts and prayers are with my uncle's family as they heal from the loss of a very sweet man.
