“ Brother Steve, we are saddened to know that you have moved on to another chapter of your soul's existence. It was always reassuring to know that you were nearby in our thoughts, if not in miles. We will surely miss the ability to pick up the phone and talk to you. Your memory is permanently in our hearts. We wish you the very best in your new journey. Brother Larry and family.

“ I'm sure going to miss you "Uncle" Steve. I feel blessed to have shared a part of your journey through life. We had the bond of both being Vietnam veterans. I enjoyed our political discussions until Martha would say "enough you two." Your family is in my prayers and heart. Sail on Sailor!
