December 27, 1984 - July 9, 2022

Lafayette -

Toby Charles Fontenot, age 37, passed away on July 9, 2022, in Krotz Springs, LA.

Toby was born on December 27, 1984, in Lafayette, LA and he was a lifelong resident of Lafayette, LA. Although born with cystic fibrosis, Toby exhibited a zest for life and lived it to the fullest with a heart full of love and a great sense of adventure. He overcame physical adversity to achieve professional success in occupations that demanded physical strength and stamina, most recently as Facilities Director at Ascension Episcopal School. Toby was always in motion, beginning with riding a four-wheeler with his dad as a child. One of his greatest pleasures was riding his motorcycle, especially on road trips where he could be in nature. Most important to him were his relationships with family and friends. He was a devoted son and the most caring and loyal friend a person could have. Toby will be dearly missed.

Toby is survived by his parents, Nancy Pearl Goodwin; his cousins, Mary Kruppe, and Carl Hall (Pam); his uncle, Van Deshotel; his beloved, Amanda Kimble; and a lifetime of dear and wonderful friends, too numerous to mention.

He was preceded in death by his father, Steven Brose Fontenot and his twin sister, Kasha Robin Fontenot.

The family wishes to offer a heartfelt thank you to Nick Barber and the staff at Cypress Funeral Home for their exceptional compassion and efficiency.

In lieu of flowers, the family of Toby Charles Fontenot's asks that you consider a donation to defray the cost of funeral expenses. Contributions of any amount are appreciated. “ I'm so sorry for your loss. I worked with Toby at Ascension ever since he started there, and I always enjoyed his company. He was very kind to me and was so very helpful whenever I needed help or even advice that wasn't even school related. I will keep you all in my prayers that you feel support and comfort in this time of grieving. Kathy Meloche

*Dear sister, not a day has gone by since Toby's tragic accident, that I haven't thought about you. I remember Toby as the lovely and precious little boy in elementary school and as the beautiful and kind young man he became. I cannot fathom your loss and I want you to know that Caleb and I have you in our hearts. Caleb said to tell you that Toby beat the illness that was supposed to kill him, and died doing what he loved the most, riding his bike, with the woman he loved. We love you, Nancy.*
