“ I met Todd 40 years ago when I was just starting out. we worked together for a few years, he was always very kind and generous with his time & deep knowledge of the scrap industry. we had the opportunity to work again together several years later. He was a wonderful friend and mentor, he will be greatly missed. He is now at peace in Christ. Bruce Larriviere

“ Mr. Todd brought joy to many at Louisiana Scrap. Although, I only worked with him for a brief time it was a most memorable one. Always lent a kind ear or kind word when we were in need. Loved yelling at him about wasting Egg Rolls for lunch. May we meet again someday Friend. Wishing his family and friends much love. With Deepest Sympathies, Colleen.
