Todd Jude Tauzin was born on October 20, 1967 in Lafayette, Louisiana and he was a resident of Youngsville. Todd enjoyed life to the fullest with his family and many friends. He loved traveling and especially visiting Exuma, Bahamas with the love of his life. A devoted father and husband, he loved doting on his daughters and wife, and he was especially looking forward to the birth of his first grandchild Gray Oliver, due in March. Todd was truly the epitome of the notion of working hard but playing hard as well. There was no denying that he was considered the "life of the party". His sense of humor, repertoire of jokes, and his hilarious antics left little doubt that when he walked into a room you

were guaranteed to have good time. Those who knew him and loved, have been truly inspired by witnessing his valiant struggle over the last 11 months with courage and bravery, never once complaining. He will be dearly missed by his family and friends.

“ *Todd will be missed by everyone especially his family, our neighborhood (SMP) and many Friends. I was very blessed to have become really good friends with Todd and to share some great times, some I remember and some I don't. He truly had a sense of humor but truly cared about his family and friends. As I reflected on Todd and the times we spent together I have a few tears but tears of Joy, Laughter, Excitement, Crazy, Entertaining, Fun, it's just how Todd moved you. I will truly miss a great Friend but I will never forget him and how he moved me, and I know I will see him again. God Bless you Todd. Condolences to Monica and the Family.*

“ I cannot listen to "Take Me To Church" by Hozier without thinking about that one time Mr. Todd was OBSESSED with that song and insisted on playing it on repeat. I am so sad that he is gone, but so happy I got to know him and have his family become a part of mine.

“ Met Todd in late 2016 and went to work for him in 2018.No doubt the hardest working person I have ever been around.We would communicate after hours discussing business and our future goals.Most all our conversations ended with laughing at each other and wishing we were on a beach vacation.Rest in peace big guy .
