“ I had the pleasure of working with Yvonne at Alice Boucher Elem. She was such a character. She cared so much about the kids and was always finding the "teachable" moment. So sorry to hear of her passing.

“ Yvette and Virginia, I am so sorry for your loss. My prayers are with you and I'm sending spiritual hugs from afar. Yvonne had such a huge heart and I will miss her beautiful smile and wonderful laugh. One thing I know for sure, she's got a lot of gardening and fishing to do up there as well as tending to water features. I can hear the toads singing. Rest in Peace, our friend.

“ My mind is flooded with memories of our shared childhoods...especially corn day and okra day when our moms would make a day of each to stock the freezer! The watermelon and playing in the sprinkler was our treat for “helping out.” Yvonne was a dear and thoughtful friend. I carry her in my heart. May she Rest In Peace.
